Dear Parents/Carers,

On Friday 26th March 2021, the children are going to be taking part in a whole school event 'Barnwood Goes Green' as part of Gloucestershire's School Partnership *Literally Litter and Big GSP Litter Clean*. This will be led by Miss Brook (Year 6 teacher) and Miss Smith (Year 6 PGCE student).

During the school day, the children will be learning about climate change and ways we can protect the environment. They will be participating in a fashion show using recycled materials as they focus on reusing, reducing and recycling. Children are invited to bring in recyclable materials from home, on Friday 26th March, to use for their creations.

During the week 22nd- 26th of March 2021, we are encouraging the children to walk to school. We appreciate that for children who travel to and from school by car, this might not be possible so we would like to suggest parking at St Lawrence Church or Wotton Hall and walking from there to school. This is **optional** but we would love to have lots of children and families supporting 'Barnwood Goes Green' by walking to school that week if at all possible.

We believe that this event demonstrates our vision of 'loving our neighbour' and 'being the best that we can be' for the good of all. We want our children to have the opportunities to learn about the current challenges that our world is facing and how we can help.

Thank you for supporting this event and our school vision.

With best wishes,

Miss Brook and Miss Smith
