

September's Challenge

Relaxed Writing

Writing is a creative, personal process, that can be enjoyed anywhere, at any time. We want you to have the freedom to relax, and write, about whatever you want, for however long you feel inspired.

Simply choose a location, make yourself comfy and write.

Sofa Scribbling

**Dining Table
Dabbling**

Duvet Drafting

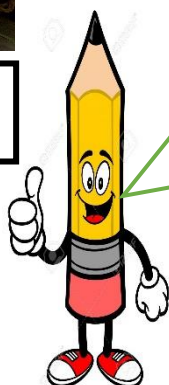

Bathtub Babbling

Why not spend a few minutes, every day, writing whilst waiting for dinner to be served.

Beanbag Blogging

Write wherever you are comfortable. Remember to give it a fun name!

At the end of the month, bring in your writing and email any photos to
